

The Bharat Scouts & Guides Uttarakhand

Message

State Chief Commissioner

My Dear, Scouts and Guides, Adult Leaders and all the Officials of The Bharat Scouts & Guides Uttarakhand, I hereby would like to bring into your kind knowledge that after India gained Independence our Freedom fighters, Social Workers, Learned Members of the erstwhile Government and the Ministers specially the Ministry of Education after their concentrated efforts on 7 Nov' 1950 the Bharat Scouts & Guides was duly established.

The goal of establishing the Bharat Scouts and Guides Association at National level was to provide the benefits of this movement to the youngsters of our country. It is one of the most sacred and creative movement which helps in enhancing and improving the personalities of our youngsters and trains them to overcome every obstacle and move on in their life by overcoming the problems.

Kunzru Committee established by the than Government to study the benefits of various Youth Programs in the country had done a deep study and observation and had given its recommendations in this matter which was printed in the official publication of the Union Ministry of Education in the year 1964.

It is my consideration that we all should run the Scouts and Guides activities in our Districts and Units as per the recommendations of the Kunzru Committee.

In the end I give my best wishes to the Bharat Scouts and Guides State Association, and I deeply hope that Scouts and Guides movement will help the youths of our state to move towards the better and bright future.

With Best wishes

Yours in Scouting

Dr. S B Joshi
